

Sydney Monorail GET ON IT

Next time you go out, go over the top! If you want to get on it, there's no quicker and easier way than on Sydney Monorail. How else will you get from the Civic Hotel to Cockle Bay in 4 minutes or Pier 26 to Chinatown in 3.

Whether it's after work beers in town, sundowners at King Street Wharf, a bite to eat at Chinatown, a big win at Star City, or all of the above, rise above the crowd and leave the traffic behind.

May we suggest a good pick up line? The Monorail links Darling Harbour's bars and clubs with Chinatown's great restaurants and the City's top nightspots. Forget taxis, buses or trains and even walking - when you are out and about Sydney Monorail is the only way to get around.
